Subject: Proposed rule: legal expense fund regulation (RIN 3209-AA50)
Date: Thursday, June 16, 2022 2:33:16 PM

I oppose most strongly the proposed legal fund regulation.

Compliance should NOT be optional.

The recusal requirement must be broadened.

Non profit organizations must be equal to private large law firms.

The proposed fund regulation as presented makes me really wonder why an OGE is even necessary. Do better.

Angry regards,
Beth Goodwin
