YES! Please prohibit federal employees free admission to anywhere!

I still don't understand why some federal accountants, clerks, drivers, housekeepers etc should be treated above the average person. The fact is that any FEDERAL employee can AFFORD their own admission.

Where as us on a budget, low income, fixed income, below proverty levels can't afford entertainment of any kind. People are not being treated equally Here in America.

Please prohibit these unnecessary benifits for federal employees and let's SAVE SOME MONEY!!

Every penny counts, at least in the average person's budget!
