Dear Ms. Weiss:

As a result of an onsite plenary review of the Commission for the Preservation of America's Heritage Abroad (the Commission), the United States Office of Government Ethics (OGE) issued one recommendation in its March 2014 ethics program review report. In December 2014, OGE conducted a follow-up review to assess the implementation of the recommendation. Based on the follow-up review, we have determined that the recommendation has been implemented.

	Recommendation	Agency Action	Status
1	All SGE Members must be provided required annual ethics training in 2014.	The Commission provided personal annual ethics training to all members that fully met the content requirements.	Closed

Thank you for your assistance during the follow-up process. We encourage you to contact your Desk Officer for ethics program support.

Sincerely,

Doug Chapman
Acting Deputy Director for Compliance
