Dear Mr. Northcott:

As a result of the onsite inspection of the Christopher Columbus Fellowship Foundation (CCFF), the United States Office of Government Ethics (OGE) issued two recommendations in its August 2014 ethics program inspection report. In March 2015, OGE conducted a follow-up to assess the implementation of the recommendations.

	Recommendation	Agency Action	Status
1	Retain public financial disclosure reports in accordance with 5 C.F.R. § 2634.603(g)(1) and OGE/GOVT-1.	OGE verified CCFF properly retained the outstanding public financial disclosure report.	Closed
2	Improve the filing timeliness of annual confidential financial disclosure reports.	OGE verified that 100 percent of CCFF confidential financial disclosure filers submitted their 2015 reports by the established deadline.	Closed

Thank you for your assistance during the follow-up process. We encourage you to contact your Desk Officer for any future ethics program support.

Sincerely,

Dale Christopher
Deputy Director for Compliance
