MEMORANDUM FOR RECORD

28 September 2016

SUBJECT: Approval of Acceptance of Travel Benefits under 31 USC 1353

- 1. Travel benefits have been offered by Aon plc for MG Jason Evans to attend and speak at an Aon plc personnel management training event in Lincolnshire, Illinois.
- 2. The following estimated travel and related expenses have been offered to be provided to the Department of the Army:

Airfare:	\$460
Lodging:	\$212
Meals:	\$100
Ground transportation:	\$100

- 3. I have reviewed the offer of travel benefits from Aon plc and performed a conflict of interest analysis, taking into account such factors as the source of the gift, the amount of the gift, to whom it is offered, whether there are any matters pending before the Army concerning the non-Federal entity offering the travel benefits and whether the proposed recipient of the travel benefits makes any decisions pertaining to the non-Federal entity.
- 4. I hereby determine that the acceptance of these travel benefits **would not** cause a reasonable person with knowledge of all the relevant facts to question the integrity of the Army's programs or operations and **approve acceptance** of the above-described travel benefits.
- 5. This approval has been coordinated with the Ethics, Legislation, and Government Information Practices Branch and written approval has been obtained as evidenced below.
- 6. Since the travel benefits exceed \$250, the traveler will file a report of travel benefits accepted to his ethics counselor within 30 days of completion of the travel. The report must include the information required to be reported by Ethics Counselors on consolidated SF 326s (www.gsa.gov/forms/).
- 7. A copy of this memorandum and attachments shall be retained by the recipient of the travel benefits and his ethics counselor.
